

Nature Printed Gelli Art Journal
Instructor: JoAnn Migliore Campisi
November 26, 2019

1. Gelli Plate - They come in all sizes. I find 8x10 is a good place to start. My favorite Gelli Plate is the GelliArts brand. Gel Press is fine too.
2. Soft rubber brayer - 2" to 3" - any size will work - bring as many as you have. Speedball is a good brand. Important that it be a SOFT rubber brayer.
3. Acrylic paints - variety of soft body or fluid acrylic paints. Include your favorite colors plus black and white. Liquitex Basics is a good brand. Inexpensive acrylic paints that you can pick up at JoAnn's, Michael's, or Walmart. Golden is wonderful but pricey.
4. Scissors
5. Apron or old shirt to protect your clothes.
6. Paper towels
7. Small spray bottle
8. Baby wipes

The following items are optional:

9. Paper - white cardstock, at least 65 lb., (good source is Amazon, Neenah Bright White Cardstock, 8 1/2x 11, 75 sheets, \$4.99) (optional)
10. Paper Trimmers (optional)
11. Adhesive Tape Runner (optional)
12. Glue Stick (optional)

Materials Fee: A \$15 materials fee will be collected at class by JoAnn to cover prefolded cardstock (50 cards) to make journal, glue sticks and tape runners to bind journal together. She will also have stencils and texture tools available for your use.

Important Notes: Please check in 15 minutes prior to class time at the Palm Ave. Iron Gate in front of the Payne Mansion across the street from the Banyan Parking Lot. Bring your lunch or purchase lunch at the gardens.
