

Selfie Scavenger Hunt

Snap a selfie or group photo with -or pointing to- your best findings for the clues below. Be careful not to disturb it or its neighboring plants! Post to FB or Insta with the hashtag #selbygardens and the name of the plant, if you can find it. (Selby Gardens' horticulturists or volunteers can help!)

1. Two *different* plant species with flowers that share the same color.
2. Two of the *same* plant species with flowers that are a different color.
3. This "tree" has more in common with a lawn than an oak tree.
4. Three weird plants you'd like to know more about.
5. The plant that reminds you most of Florida.
6. A place in the garden you'd want to live in.
7. You wouldn't want to sit on these plants!
8. Butterflies love these plants!
9. This plant has edible fruit.
10. Something that makes noise.
11. You would wear this plant as a perfume.
12. You could build a treehouse in this tree.
13. The smallest plant you can find.
14. A bird or animal in action.
15. A plant that lives on another plant.
