

VOLUNTEER OPPORTUNITIES

Selby Gardens could not achieve our mission without the dedicated service of our volunteers. Any level of volunteer service is appreciated, but we typically ask for one work shift per week, morning or afternoon. Shift times vary with the type of work. Seasonal volunteers are welcome. Training is provided for all jobs depending on your experience and ability. We offer a wide variety of volunteer opportunities. Join our team.

Volunteer Opportunities

Marie Selby Botanical Gardens is a respected world center for tropical plant research, education, and conservation. There are approximately 9.5 acres of gardens open to the public along beautiful Sarasota Bay. The Tropical Plant Display Greenhouse is a showcase for a spectacular living collection of rare orchids and bromeliads. The Center for Tropical Plant Science and Conservation has a herbarium visited by scientists from around the world which contains more than 100,000 dried plants and 28,000 plant specimens preserved in spirits.
